

BRUNK
AUCTIONS | COINS & CURRENCY
OCTOBER 2&3, 2020

181
1799 Silver Dollar
early Draped Bust style, authenticated and graded by NGC, *NGC Grading: Fine Details, Obverse Scratched*
Provenance: Dr. Harry Glenn Buchanan Collection
Estimate: \$1,000 - \$1,500

182
U.S. Silver 90% Coinage
over \$200 face value, mix of Dimes, Quarters and Half Dollars (all 1964 and earlier), *all are circulated and condition varies throughout, however, there are some Barber, Mercury and Standing Liberty coins nicer than typically encountered in bulk*
Provenance: Fredrick K. Alouf, Sr. Collection
Estimate: \$2,500 - \$3,000
Each dollar of 90% coinage contains 0.715 troy ounces of silver, therefore this lot has approximately 140 troy ounces of silver.

183
1907 Gold Double Eagle
Liberty Head design \$20 gold coin, actual gold weight (AGW) 0.9675 oz. T., *highly lustrous AU*
Provenance: Private Collection
Estimate: \$1,800 - \$2,000

184
1885-CC Morgan Dollar
low mintage Carson City issue, authenticated and graded by NGC, *attractive colorful toning; NGC Grading: Mint State 62*
Provenance: Dr. Harry Glenn Buchanan Collection
Estimate: \$500 - \$700

185

Over 265 Silver U.S. Half Dollars

majority are Franklin and Walking Liberty designs; Daniel Boone and Oregon Trail Commemorative Half Dollars, *all are circulated, condition varies throughout; both commemorative coins XF with a 'cleaned' appearance*

Provenance: Private Collection

Estimate: \$1,500 - \$2,000

Approximately \$132 in face value which works out to ASW (actual silver weight) of around 95 ounces.

186

Five Examples of Bust Coinage

1832 Capped Bust Dime; 1807 Draped Bust Quarter; 1828 Capped Bust Quarter; 1806 Draped Bust Half Dollar; 1807 Draped Bust Half Dollar, *Dime is Very Fine; 1807 Quarter VG details, scratches and surface abrasions; 1828 Quarter Fine with an old cleaning; 1806 Half Dollar VF with smoothed surfaces; 1807 Half Dollar Fine, dark toning and a few stray marks*

Provenance: Dr. Harry Glenn Buchanan Collection

Estimate: \$600 - \$900

187

Over \$100 Face Value in Silver 90% U.S. Coinage

approximately 215 dimes, majority Mercury; 30 quarters; 82 Franklin Half Dollars, most are early 1950s dates; 65 Kennedy Half Dollars from 1964; Lexington-Concord Commemorative Half Dollar; three Peace Dollars including 1921, *many high grade coins, some with varying degrees of toning*

Provenance: Estate of William A. Little, Charlottesville, Virginia

Estimate: \$1,000 - \$1,500

Each dollar of 90% coinage contains 0.715 troy ounces of silver, therefore this lot has approximately 71 troy ounces of silver.

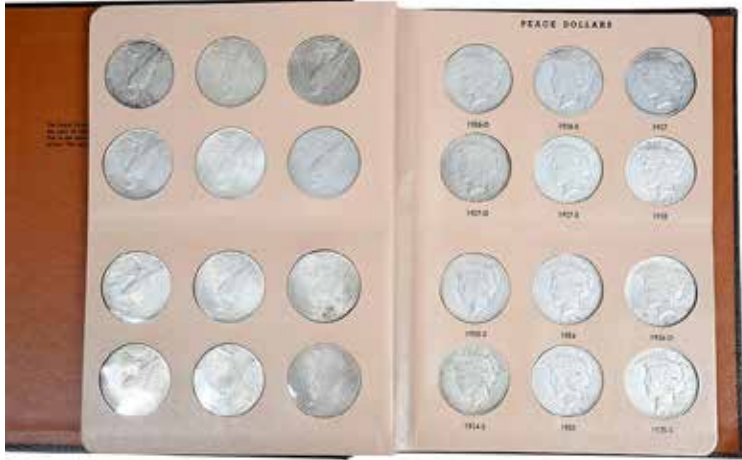

188

Four San Francisco Mint Trade Dollars

1875, 1877, two 1878, all bearing 'S' mintmark, *all are circulated to various degrees, dark toning on some, a few with hairlines from a prior cleaning*

Provenance: Dr. Harry Glenn Buchanan Collection

Estimate: \$500 - \$700

189

Silver Peace Dollar Set

24 coins total, 1921 to 1935, coins from Philadelphia, Denver and San Francisco Mints, in Dansco album, *all with varying degrees of circulation, typical scattered marks and abrasions, evidence of prior cleaning on a few*
Provenance: Dr. Harry Glenn Buchanan Collection
Estimate: \$500 - \$700

190

Group of 90% Silver U.S. Coinage

over \$270 in total face value, 54 Walking Liberty Half Dollars; 90 Franklin Half Dollars; 665 Mercury Dimes; 421 Roosevelt Dimes; 358 Quarters, Barber through Washington, *all are circulated, various degrees of wear*
Provenance: Private Collection
Estimate: \$2,500 - \$3,000
Each dollar of 90% coinage contains 0.715 troy ounces of silver, therefore this lot has approximately 193 troy ounces of silver.

191

33 Silver U.S. Dollars

23 Morgan Dollars, dates between 1884 and 1921; ten Peace Dollars, dates between 1922 and 1923, *all are circulated, some with more wear, typical marks and surface abrasions, a few qualify as AU*
Provenance: Private Collection
Estimate: \$500 - \$700

BRUNK
AUCTIONS

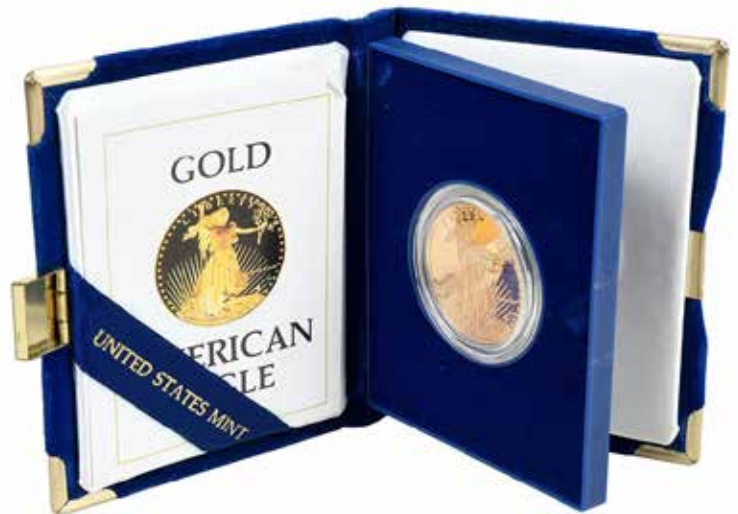

192

\$10 Compound Interest Treasury Note

December 15, 1864 overprint, Colby/Spinner signatures, *poor condition, losses to paper along edges, restorations at center, evidence of being previously mounted, splits that may benefit from professional restoration*

Provenance: Brunk Auctions, November 9, 2019, Lot 416

Estimate: \$800 - \$1,200

193

1986-W Proof Gold American Eagle

one-ounce bullion coin in original Mint box with COA, *new, as issued from U.S. Mint*

Provenance: Estate of Rita Barg, New Bern, North Carolina

Estimate: \$1,500 - \$2,000

194

Over 525 Silver U.S. Quarters

majority are Washington design, *all are circulated, condition varies throughout*

Provenance: Private Collection

Estimate: \$1,400 - \$1,800

Approximately \$130 in face value which works out to ASW (actual silver weight) of around 93 ounces.

195

53 American Silver Eagles

each one-ounce .999 fine silver, one Proof in Mint box; four with painted Commemorative themes; 15 in hard plastic "Littleton" packaging; 33 loose assorted, many in "Littleton" mylar packaging, *all uncirculated, some toning, Proof missing COA*

Provenance: Private Collection

Estimate: \$800 - \$1,200

196

Over 180 Silver U.S. Half Dollars

majority Franklin and Walking Liberty designs, *all are circulated, condition varies throughout*

Provenance: Private Collection

Estimate: \$1,000 - \$1,500

Approximately \$90 in face value which works out to ASW (actual silver weight) of around 64 ounces.

197

Over 780 Silver U.S. Dimes

majority are Mercury or Roosevelt design, *all are circulated, condition varies throughout*

Provenance: Private Collection

Estimate: \$800 - \$1,200

Approximately \$78 in face value which works out to ASW (actual silver weight) of around 55 ounces.

198

Barber Half Dollars Near Set

76 coins total, 1892 through 1915, including mintmarks, missing only 1912 (Philadelphia), four duplicate dates included, *condition varies throughout, all are circulated, some with uneven wear, evidence of older cleaning, toning*

Provenance: Dr. Harry Glenn Buchanan Collection

Estimate: \$1,000 - \$1,500

199

Seven Capped Bust Half Dollars

1811, O.103a; 1819, O.111; 1819, O.113; 1821, O.101; 1826, O.101; 1828, O.109; 1829, O.102, *all circulated with varying degrees of wear, some evidence of mild older cleaning or wiping, 1811 VF with dark areas; 1819 (both) VF+ details; 1821 XF with luster near devices; 1826 VF details with scratches on reverse; 1828 VF details, toned, with fine pinprick marks to obverse; 1829 XF with luster*

Provenance: Dr. Harry Glenn Buchanan Collection

Estimate: \$500 - \$700

Attribution by Overton number believed to be accurate, though not guaranteed.

**200****29 Morgan Silver Dollars**

1893-Carson City; many New Orleans minted coins, dates between 1879 and 1921, 1893-CC is XF with subtle toning; remaining coins range from heavy wear, with rim damage, surface marks up to nice blast white AU coins

Provenance: Private Collection

Estimate: \$800 - \$1,200

**201****1799 Silver Dollar**

early Draped Bust style, authenticated and graded by NGC, *NGC grading: Good Details, Reverse Scratched*

Provenance: Dr. Harry Glenn Buchanan Collection

Estimate: \$600 - \$900

**202****2008-W American Gold Buffalo Four Coin Proof Set**

in Mint box, with fractionals, total 1.85 oz. T., *missing COA, light handling evidence to Mint packaging*

Provenance: Private Collection

Estimate: \$4,000 - \$5,000

**203****Walking Liberty Half Dollars Near Set**

82 coins total, 1916 through 1947, including mintmarks, missing only three coins, 20 duplicate dates included Note: Missing 1916-S, 1917-D (mintmark on reverse) and 1937-D. Notable varieties included are 1939-D/D (RPM) and 1941 with weak designer initials on the reverse. Coins for 1921 from all three Mints are present, *condition varies throughout, all are circulated, some with uneven wear, evidence of older cleaning, toning, later dates are in a higher state of preservation than the earlier dates (typical for this series)*

Provenance: Dr. Harry Glenn Buchanan Collection

Estimate: \$800 - \$1,200

Missing 1916-S, 1917-D (mintmark on reverse) and 1937-D. Notable varieties included are 1939-D/D (RPM) and 1941 with weak designer initials on the reverse. Coins for 1921 from all three Mints are present.

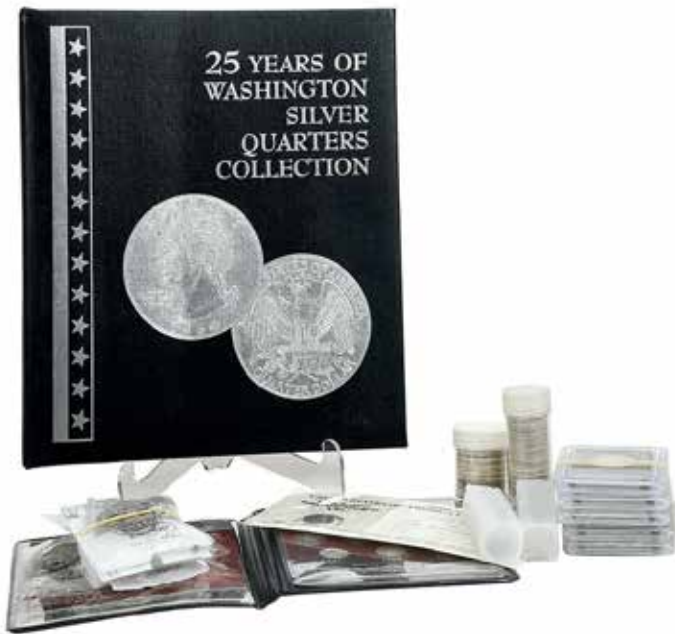

204

Group of Silver World Crowns

19 total coins, 1770 Mo-MF Mexican 8 Reales; 1806 Mo-TH Mexican 8 Reales; Dutch 30 Stuivers (date not discernable, late 17th century); 1893 South African 2-1/2 Shillings; 1561 German States (Saxony) Thaler; "1780" Austrian Maria Theresa Thaler (later restrike); 1872-M BN Italian 5 Lira; 1694 Italian Papal States Testone; 1791 French Ecu; (1796-97) French 5 Francs, AN 5, Bordeaux; 1829 French 5 Francs; 1833 French 5 Francs; British Crown of William III (date partially gone, late 17th century); 1820 British Crown; 1837 British Halfcrown; 1889 British Crown; 1902-B British Trade Dollar; 1725 Russian Rouble of Peter the Great; 1750 Italian States (Naples) 60 Grani, typical circulated look to most, 1770 8 Reales original dark toning; 1806 8 Reales with some saltwater effect at periphery; 30 Stuivers uneven wear; 2-1/2 Shilling some discoloration; Saxony Thaler with edge wear; Maria Theresa Thaler UNC; 5 Lira nice VF look; Testone VF but holed for suspension; Ecu graffiti to obverse and reverse; Bordeaux 5 Francs with edge bruise; 1829 5 Francs Fine; 1833 5 Francs Fine; William III Crown VG, uneven wear; 1820 Crown Good with discreet counterstamp to obverse; Halfcrown Good with some dark areas; 1889 Crown with rim bruise; British Trade Dollar wonderfully toned AU; Rouble some as-made planchet laminations on reverse; 60 Grani Fine

Provenance: Private Collection

Estimate: \$1,500 - \$2,000

205

Silver Dimes, Quarters, Half Dollars

90% silver coinage, over \$85 in total face value, 30 Franklin Half Dollars, in felt lined case; 50 Walking Liberty Half Dollars in Dansco album; 32 assorted Half Dollars; 62 Quarters, most Washington or Standing Liberty; 144 Dimes, Roosevelt and Mercury type, all are circulated, varying degrees of wear

Provenance: Private Collection

Estimate: \$800 - \$1,200

Each dollar of 90% coinage contains 0.715 troy ounces of silver, therefore this lot has approximately 60 troy ounces of silver.

206

Group of Coins, Mostly U.S.

19 American Silver Eagles, majority in aftermarket packaging; two Canadian Silver Maple Leafs, sealed; seven Morgan Dollars; six Peace Dollars; over \$100 face value in modern Dollars (Ike, Susan B. Anthony, Sacagawea, Presidential); two sets of Statehood Quarters, one from each state, 50 coins each set; two framed "Eisenhower Collection"; assorted collector coins, Silver Eagles in packaging are uncirculated, others with light handling and toning; Morgan and Peace Dollars circulated with typical scattered marks and impairments; balance of coins with usual abrasions from time spent in circulation

Provenance: Private Collection

Estimate: \$500 - \$700

207
Barber Quarters Near Set

72 coins total, 1892 through 1916, including mintmarks, missing only four coins, two duplicate dates included, *condition varies throughout, all are circulated, some with uneven wear, evidence of older cleaning, toning*
Provenance: Dr. Harry Glenn Buchanan Collection
Estimate: \$500 - \$700
Missing 1896-S, 1901-S, 1909-O, and 1913-S. Numerous variations are noted by the previous owner.

208
35 Silver U.S. Dollars

13 Morgan Dollars, dates between 1886 and 1921; 22 Peace Dollars, dates between 1921 and 1935, *all show signs of circulation, some with considerable wear*
Provenance: Private Collection
Estimate: \$600 - \$900
The 1921 Peace Dollar is a key date coin.

209
1797 Silver Dollar

early Draped Bust style, authenticated and graded by NGC, *NGC Grading: Very Fine Details, Cleaned*
Provenance: Dr. Harry Glenn Buchanan Collection
Estimate: \$2,000 - \$2,500
This Draped Bust obverse paired with Small Eagle reverse represents an important 'type coin' in the U.S. series. As for the 'cleaned' designation from NGC, the cleaning is mild and not distracting from the overall appearance of this coin.

210
\$1000 Federal Reserve Note

series of 1934, Kansas City Federal Reserve Bank, carried and displayed as the outer bill on Jimmy Dean's bankroll, *some folds, staining, obvious edge wear*
Provenance: Sausage Company Founder and Entertainer, Jimmy Dean; Brunk Auctions, February 7-8, 2020, Lot 1136
Estimate: \$1,600 - \$2,000

211

Four Trade Dollars

1873, 1876-S (small mintmark), 1876-S (large mintmark), 1877, *all are circulated to various degrees, surface abrasions, some with evidence of prior cleaning*

Provenance: Dr. Harry Glenn Buchanan Collection

Estimate: \$500 - \$700

212

1893-S Gold Double Eagle

Liberty Head design \$20 gold coin, actual gold weight (AGW) 0.9675 oz. T., VF

Provenance: Private Collection

Estimate: \$1,800 - \$2,000

213

Modern Commemorative Spanish Gold Medallion

obverse portraits "Ferdin. et Elisab.", issued by Numismatica Iberica, S.A., *some evidence of handling; outer case with split*

Provenance: Private Collection

Estimate: \$600 - \$900

The accompanying certificate states "917/1000" fineness and weight of 17.5 grams. The reading was actually 17.44 grams on our digital scale. The AGW (actual gold weight) should be therefore just over half of an ounce.

214

Michelangelo Buonarroti Medal

by Antonio Selvi, "A.S." below bust, bronze restitution medal, reverse with allegorical figures representing Painting, Sculpture and Architecture below LABOR OMNIA VINCIT, 88 mm., *some file marks on edge but otherwise an extremely fine contemporary cast with brown patina*

Provenance: Sotheby's, March 10, 1996, Lot 163; Brunk Auctions, May 15-16, 2020, Lot 951

Estimate: \$600 - \$900

215

Julius Caesar Silver Denarius

47 to 46 B.C., North Africa, Sear 1402, obverse with diademed head of Venus facing right, reverse with Aeneas carrying Anchises and Palladium, VF, *both sides struck off-center, more obvious on reverse, slightly underweight at 3.4 grams (possibly partially crystallized)*

Provenance: Early American Auctions, Rancho Santa Fe, California, October 5, 2002, Lot# 1025; Private Collection

Estimate: \$600 - \$900

216

Over 220 Silver U.S. Quarters

mostly Washington design with occasional older type, *all are circulated, condition varies throughout*

Provenance: Private Collection

Estimate: \$600 - \$900

Approximately \$55 in face value which works out to ASW (actual silver weight) of around 40 ounces.

217

Seven Mexican Gold 2-1/2 Peso Coins

diminutive "Dos y Medio Peso" coins, total AGW (actual gold weight) 0.4221 oz. T., *lustrous with no evidence of circulation*

Provenance: Private Collection

Estimate: \$600 - \$900

218

1897 Gold Liberty Head Eagle

\$10 gold coin, actual gold weight (AGW) 0.4837 oz. T., *XF wear with gouge to Liberty's cheek*

Provenance: Private Collection

Estimate: \$800 - \$1,000

219

Three \$500 Federal Reserve Notes

popular high-denomination notes, two are from Richmond Federal Reserve, other from Chicago, *circulated with typical foxing, fading, creasing, staining*
Provenance: Brunk Auctions, November 9, 2019, Lot 457
Estimate: \$2,000 - \$2,500

220

33 Silver U.S. Dollars

18 Morgan Dollars, dates between 1879 and 1921; 15 Peace Dollars, dates between 1922 and 1935, *all are circulated, some with rim bruises, scattered marks, dark toning, a few Morgan Dollars could be called AU*
Provenance: Private Collection
Estimate: \$500 - \$700

221

Silver United States Coinage

over \$130 face value in 90% (.900 fineness) silver coinage, approximately 118 Half Dollars, 230 Quarters, 152 Dimes; 25 Kennedy Halves, 1965 to 1969, 40% (.400 fineness) silver, *all are circulated, varying degrees of wear*
Provenance: Private Collection
Estimate: \$1,000 - \$1,500
Each dollar of 90% coinage contains 0.715 troy ounces of silver, therefore this lot has approximately 93 troy ounces of silver.

222

Group of Foreign Silver Coins

12 coins total, British Crowns for 1889, 1893, 1895, 1900, 1935 (hobby horse design); French Five Francs for 1808, 1831, 1873; German Three Mark for 1913; German Five Mark for 1898, 1907, 1908, *condition varies, all are circulated, some with hairlines, toning, uneven wear, scattered marks*
Provenance: Dr. Harry Glenn Buchanan Collection
Estimate: \$500 - \$700

223

Over 900 Silver U.S. Dimes

majority are Mercury and Roosevelt designs, *all are circulated, condition varies throughout*

Provenance: Private Collection

Estimate: \$1,000 - \$1,500

Approximately \$90 in face value which works out to ASW (actual silver weight) of around 64 ounces.

224

\$10 Silver Certificate, Series 1880

Bruce/Wyman signature combination, *circulated with light creases, paper losses and separations throughout, scattered pinholes, mild discoloration, paper appears to be unstable and brittle, additional tears and losses have occurred and may continue to occur, professional restoration by new owner recommended*

Provenance: Brunk Auctions, November 9, 2019, Lot 432

Estimate: \$600 - \$900

BRUNK
AUCTIONS

225

United States Silver Dollar Group

1872 Seated Liberty Dollar; 29 Morgan Dollars, earliest 1878, latest 1921; 11 Peace Dollars, earliest 1922, latest 1927; five American Silver Eagles, *typical abrasions and toning to American Silver Eagles, older coins with evidence of circulation, some Morgans with considerable wear*

Provenance: Private Collection

Estimate: \$1,000 - \$1,500
